

A FUNDRAISER. BENEFITING  
PACIFIC CINÉMATHEQUE  
**SCENE**

**Thursday, November 19 at 6:30 pm, at Canvas Lounge**

A bidding frenzy may take place for a coveted signed copy of the *Twilight* series book *New Moon*, with autographs of lead actors Robert Pattinson, Kristen Stewart, and Taylor Lautner, and author Stephanie Meyer, at **SCENE**, the second annual fundraising event for the **Pacific Cinémathèque**. The "priceless" item will be one of many in a silent auction to help raise funds for one of North America's most active art house theatres, and will be on display during the event, on **Thursday, November 19 at 6:30 pm**, at the chic **Canvas Lounge** (91 Powell Street). Also new this year, **SCENE** will be part of the **MPPIA's Motion Picture Week**, November 16 - 20.

**SCENE** is an exciting celebration for the Vancouver film community. The **red carpet** event will include cocktails, canapés, film projections, lounge music, and the silent auction. Glamorous dress encouraged.

A not-for-profit society, Vancouver's **Pacific Cinémathèque** is one of North America's most active film institutes. Dedicated to advancing the understanding and appreciation of cinema and moving pictures as art, this charitable organization presents over 500 film exhibitions per year, provides media literacy education for teachers and students, and houses a library and archive of film related resources. Since its incorporation in 1972, **Pacific Cinémathèque has presented more foreign, Canadian, independent, art-house, classic, experimental, short and documentary films than any other theatre in Vancouver.**

Canape's catered by Canvas Lounge's **Executive Chef Doby Kovacevicat**, previously at Coast, Kettle of Fish and Joe Fortes.

Tickets are \$95 each and include canapés, one cocktail and GST. Tax Receipts issued. Tickets are available through the **Cinémathèque** office by calling 604.688.8202. Information: [www.cinematheque.bc.ca](http://www.cinematheque.bc.ca)
